

Graduate Student Orientation

Welcome to a new semester!

This year's Graduate Student Orientation will provide new graduate students with a hearty welcome to the physics department.

Join us on Friday, August 24th to meet other graduate students, physics faculty and staff members and learn about the physics department.

Pizza and soda will be provided.

Friday, August 24, 2007

3:00pm - 5:00pm

LP 208, Goudsmidt Conference Room
